ABOUT THE COMPANY

WHO WE ARE

Royal King Logistics Limited is a Zambian logistics and transportation company built for one purpose: moving bulk petroleum products **safely, dependably and professionally**.

We serve businesses that cannot afford delays, uncertainty or unreliable service — companies whose operations depend on the timely movement of fuel.

When you hire a transport company, you are not simply hiring a truck. **You are entrusting us with your product, your schedule and your reputation.**

That is a responsibility we take seriously, on every kilometre of every journey.

OUR SERVICES

WHAT WE DO

Our core business is the transportation of bulk petroleum products using heavy-duty tractor and tanker combinations. - **Bulk fuel haulage** — diesel (AGO) and petrol for oil marketing companies, mines and commercial clients
- **Contract distribution** — regular scheduled deliveries from depots to sites, stations and storage facilities
- **Spot & emergency loads** — responsive capacity when your usual arrangements fall short

OUR PROMISE TO CLIENTS

HOW WE MEASURE OURSELVES

Good transportation is measured by more than kilometres travelled. On every assignment we ask:

- Was the cargo handled responsibly?
- Was the journey conducted safely?
- Was the delivery completed as agreed?
- Was communication clear throughout?
- Could the client depend on us again?

WHY ROYAL KING LOGISTICS

Accountability

We take ownership of every assignment — your cargo becomes our responsibility from the moment we accept it.

Professional drivers

A well-maintained truck means little without a responsible person behind the wheel. Our drivers represent us on every road.

Clear communication

You are kept informed from loading to delivery confirmation — certainty, not silence.

Long-term thinking

We are building dependable partnerships, not completing isolated trips.

We don't want to be just another transport provider. **We want to become a trusted extension of your business.**
